

Jubilee: The Apostle's Creed (The Father Almighty)

Minister Yuegang

Jesus said, "...Go instead to my brothers and tell them, 'I am ascending to my Father and your Father, to my God and your God.'" (John 20:17)

THEME: THE FATHER ALMIGHTY

Our God is all-powerful. He created and governs the heavens and earth. He works according to His will. Let us come together as a church to praise and worship the Lord, proclaim His greatness, and rejoice in His mightiness.

Looking back at our church's history, we see that it began with only 13 families in 1969 and now, fifty years later, it has grown into a church of approximately 1200 people. This growth includes the City Outreach ministry and the church plants in Lowell, Metro West, and Metro South. The number of believers has increased over the years as well. We will be holding our 141th baptismal service this coming December. All of this was unfathomable by the founding families and none of it could have been accomplished by man alone. As we reflect on this, let us be reminded that these are all manifestations of God's mightiness.

Our relationship with God is likened to the parent-child relationship. He is our Abba father and we are his children. Our relationship with Him is the earthly representation of His heavenly relationship with God the Son. We are all members of God's family. We suffer with Christ and we are also glorified in Him. We should follow the example of Christ and live a life worthy of our calling—to love one another and share the gospel to glorify our God the almighty Father.

REFLECTION

- When we pray, have we been praising the almighty God with all our heart?
- Regardless of our circumstances, have we lived a life worthy to be called God's child?

RENEW

- Strive to renew our prayer life by focusing more on praising God and His mightiness.
- Be reminded of our identity in Christ. Strive to live out our identity as God's children.

PRAYER REQUESTS.

- Pray for all of the ministries around church.
- Pray for the renewal of our brothers and sisters' lives.
- Pray that our almighty God will reveal his guidance to us.
- Pray that our almighty God will expand His kingdom throughout the world.
- Pray that God will protect all the persecuted Christians around the world.
