

Jubilee: The Lord's Prayer

Mrs. Chaolun Pan

“This, then, is how you should pray...” (Matthew 6:9)

- **THEME:**

Prayer is how we stay connected with God. We talk to Him with our praises and requests. We can come before Him freely with our daily needs. The Most High God desires us to pray so that we can build a relationship with Him. We can come to Him with confidence knowing that our prayers are not in vain. He will respond according to His will. What a privilege and blessing it is that we are able to meet God face to face through prayer!

- **REFLECTION**

- How is your prayer life? Is your relationship with God suffering due to a lack of prayer?
- Have you only been making requests in your prayers or have you also been offering up thanksgiving for the grace and mercy God has shown in your life?

- **RENEW**

- Please write down a plan to help you restart your prayer life. For example, setting aside 10 minutes a day to pray.

- **PRAYER REQUESTS**

- Pray about your personal needs for this week and ask God for his abundant grace. Consider writing them down.
- Pray for CBCGB
 - Pray for the jubilee spiritual renewal and restoration plan.
 - Pray for our pastoral staff's spiritual renewal and day-to-day responsibilities: Minister Yuegang Zhang and Pastor Jennifer Lin.

- Pray for current events in our nation and around the world.
